about valuable health information.

Hospital Care

We have admitting privileges at Presbyterian Hospital in Charlotte, located near uptown at 200 Hawthorne Lane. This facility offers state-of-the-art surgical and obstetrical care as well as a Level IV neonatal intensive care unit, should your baby need specialized attention after birth. For more information, visit www.presbyterian.org/women.

Appointments and Phone Calls

Appointments. Please call 704-316-5270 and press option 3, Monday through Friday from 8 a.m. to 4:45 p.m. to schedule. We require a 24-hour notice for cancellations.

Emergencies. For a life-threatening emergency, dial 911. If you have an emergency or go into labor, call our office at 704-316-5270 and press option 1. The on-call physician will be contacted.

If the emergency requires you to seek treatment immediately, please proceed to labor and delivery or the emergency room at your designated hospital. Please contact our office as soon as possible.

General Information

Please Bring the Following to Each Appointment

- A complete list of medications, including vitamins, herbal supplements or over-the-counter medication.
- Your insurance card and copay.
- New patients, please arrive 30 minutes early to complete paperwork and have your medical records transferred to our office before your first visit.

Prescription Refills. To refill a current prescription, please call your pharmacy and they will contact us if necessary. Allow one working day for refills. *The on-call physician after office hours cannot refill medications.*

Lab Results. You should receive notification of lab results by phone or mail. If your results require immediate attention, we will contact you by phone.

Medical Questions and Concerns. We have a registered nurse with many years of experience who triages calls everyday from 8:30 a.m. to 4 p.m. This registered nurse is available to address non-emergency questions. All calls prior to 4 p.m. will be returned the same day. Calls received after 4 p.m. will be returned the next business day.

Billing and Insurance. All insurance copayments are due at the time of service. Our practice accepts most major insurance plans. If we do not have a contractual arrangement with your plan, you will be expected to pay in full at the time of service.

Please contact our office to determine if we accept your insurance plan. For billing questions, please contact our centralized business office toll-free at 1-866-666-1279 from 8 a.m. to 4:30 p.m.
